

Project: Sturgis High School Manufacturing Shop Expansion

Objective: Expand the manufacturing shop into the adjoining classroom.

Funding: General Funds

Status: Completed August 2020

8/20/2020: A portion of the wall was removed to create an opening between the manufacturing shop and classroom so that equipment can be moved into the classroom.

Pictured below: Equipment moved into the expanded shop.

Pictured below: New flooring in expanded shop.

Pictured below: View from the expanded shop to the original shop.

Picture below: Wall being removed.
