

Project: Wenzel Elementary Office Relocation

Objective: Move the office next to the front entrance to enhance safety and security

Funding: Building & Site Sinking Funds and Public Improvement Funds

Status: Completed October 2020

Pictured below: Julie Stellner at her new desk in the renovated office. The office was relocated to the front entrance to enhance safety and security.

Picture below: Left is a former Wenzel student working on the project. Right is electrical infrastructure being installed.

Update July/2/2020:

Picture below: Installation of wall studs.

Update June/21/2020:

Picture below: Demolition.
