

Project: Congress, Eastwood, High School, and Wenzel Exterior Signage

Objective: Phase I of district-wide exterior signage replacement project

Funding: Public Improvement Funds

Status: Completed 2021

All exterior signage at Congress Elementary School, Eastwood Elementary School, Wenzel Elementary School, and Sturgis High School was replaced. This included street and parking signs, post and panel signs, and monument signs. The post and panel signs include directions in both English and Spanish. The monument signs are backlit. This is phase 1 of the 2 phase project.
