

Project: Districtwide Copiers (Phase II)

Objective: Replace old copiers with new machines

Funding: Public Improvement Funds

Completed: 2020-21 School Year

Previously, copier maintenance contracts and ink cartridge replacement was handled at the building level. Starting with Sturgis Central Commons and Sturgis Middle School, we transitioned to a district-wide solution with common equipment under one contract during phase I (during the 2019-20 school year). During the 2020-21 we completed phase II of the project and made similar improvements at Congress Elementary School, Wall Elementary School, Wenzel Elementary School, Eastwood Elementary School, Sturgis High School, Transportation/Maintenance Building, Community Pool, and at Jerolene School.

Pictured below: Two of the new copiers.
