District Annual Report (AER) Cover Letter

January 1st, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2021-22 educational progress for the Sturgis Public School District and our schools. The AER addresses the complex reporting information required by federal and state laws. Our staff is available to help you understand this information. Please contact me, Art Ebert, Superintendent, for help if you need assistance.

The DISTRICT AER is available for you to review electronically by clicking this link: [Sturgis Public Schools Annual Education Report](#), or you may review a copy in the District office at Sturgis Public Schools. Each school will also be communicating their own AER to parents directly.

Educator Qualification Data

- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

Review the table below listing our schools. For the 2022-23 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no status label is given.

Our success is defined by the outcomes achieved by our students. In Sturgis, we all work together for the betterment of the youth in our community. This is a team effort, and we welcome collaboration between students, educators, families, and our community. If you are interested in partnering with us, please reach out to our district office, or your child's school administrator, so that we can share our volunteer opportunities with you.

With appreciation,

Dr. Art Ebert, Superintendent
